Solon, Ohio

Solon, Ohio has built a remarkably robust suburban office market that makes it a standout in the Greater Cleveland area. With over 1.5 million square feet of office space across buildings of 25,000 square feet or more, Solon offers large-scale opportunities ranging from 50,000 to over 100,000 square feet. Rental rates in the region reflect the competitiveness of the market, with asking rates in the high teens per square foot for many high-quality buildings. What truly powers this market is its strong access to major highways like I-271, I-480, and US 422, a concentration of corporate users, and a supply of well-amenitized, flexible office and flex/industrial buildings. The tenant base is diverse, ranging from traditional corporate headquarters to coworking operators serving startups and smaller firms. Altogether, Solon has transformed into a serious office-market hub, offering excellent regional connectivity, suburban lifestyle appeal, and a wide range of space options from boutique suites to large headquarters buildings.
